

In 2013 Diss Museum Manager Basil Abbott helped Norwegian author Geirr H. Haarr with some research.

He was writing a book about submarine warfare and had heard that Diss had some information.

He was sent an audio tape of Joe Brighton describing his life aboard HMS Porpoise, which he gratefully acknowledged.

Basil Abbott thought no more of it until a copy of the book, *No Room For Mistakes*, arrived in October 2015.

Published by Seaforth Publishing and selling at £35, the book is an account of British and Allied submarine warfare in World War Two.

The author had used extensive quotes from the tape. In the Foreword he said: "Basil Abbott, manager at Diss Museum in Norfolk, is warmly thanked for his enthusiastic assistance."
